I, _____, request that NSED provide \$575 of Heating Fuel from the following local fuel vendor: _____, in lieu of the credit to an electric utility account as part of the Norton Sound Economic Development Corporation (NSED) Energy Subsidy, as my primary place of residence is not hooked up and does not receive electricity from the local utility. I am aware that this payment is a form of taxable income to me and that I will be responsible for reporting this income and for paying any taxes that are due on this amount.

By signing below, I hereby certify that the information provided above is true and correct to my knowledge; and I consent to participate in the NSED Energy Subsidy Program – Non-Electric Utility Account Holder.
