General Guidelines

The Norton Sound Economic Development Corporation (NSED) Employment, Education, and Training (EET) Program *Student Loan Repayment Program* is for Norton Sound residents who permanently resided in the region prior to obtaining their degrees, have completed a degree program, received teacher or school counselor certification in the State of Alaska, and have been employed full-time with the Bering Strait School District or Nome Public Schools District located in the Norton Sound region for a minimum of one year. Residency in the Norton Sound region must be established prior to attending college and maintained throughout schooling.

The program repays up to a total of \$20,000 of a student’s Direct Subsidized and Unsubsidized Federal loans, Federal Perkins Loan, and Alaska Supplemental Education Loan with payments paid to the lending agency over a 5-year period. Upon their second year of teaching full-time in the region, residents meeting the below requirements will be eligible for the loan repayment program.

- Established and maintained Norton Sound residency prior to and during college
- Received, at a minimum, a bachelor’s degree
- Possess and maintain State of Alaska Teaching Certification or Type C Special Services Certification
- Employed full-time as a certified teacher or counselor with a school district located in the Norton Sound region for at least one year

Under the program, a year starts on August 1st and ends the following July 31st. Payment amounts are structured based on the loan principal balance as of August 1st of each year. For example, in year one the payment is 10% of the loan principal balance. To encourage recipients to remain in the region teaching, the amount NSED repays increases each year. NSED will furnish direct payments to a participant’s lending agency upon initial acceptance into the program and upon employment and residency verification in subsequent years. Participants must keep current their loan payments to remain eligible each year.

Year	Percent of Loan Balance
1	10% up to \$6,000
2	20% up to \$6,000
3	30% up to \$6,000
4	50% up to \$6,000
5	100% up to \$20,000 combined for all years
