Residency Statements

I am submitting this form as proof that I qualify as a Norton Sound resident under NSEDC's Norton Sound Residency Policy. I understand that this means that I can answer **yes to all** of the following "Residency Statements" (1-4):

1. I have established residency by being physically present in the Norton Sound region for a one-year period, with an allowance of up to 60 cumulative days' absence during that year. I was physically present in the region at the start of this period.
2. I consider the Norton Sound region my home and intend to remain in here indefinitely.
3. I have not claimed residency outside of the Norton Sound region, or obtained a benefit as a result of a claim of residency in a community outside of the Norton Sound region, at any time in the previous year.
4. After satisfying Residency Statement 1, if I was physically absent from the Norton Sound region in subsequent years for more than 60 days, I was absent for an Allowable Absence. If claiming an Allowable Absence from the prior year, please list the absence here: _____

NSSP Deliveries: If form is being submitted for consideration of NSSP deliveries, in accordance with the full policy, I either 1) am a current resident, or 2) have previously qualified as a resident for a consecutive ten-year period under NSEDC's current Residency Policy and am able to demonstrate documented commercial salmon, crab, cod, halibut, herring or miscellaneous finfish deliveries to NSSP. Documentation may include copies of fish tickets showing delivery to NSSP, or internal NSSP documentation showing deliveries. Documented salmon fishing history is not required if the permit holder obtains the permit through a non-compensated transfer from a family member. *(Please attach an explanation of when residency was previously held and evidence of prior commercial salmon fishing or non-compensated permit transfer if not a current resident.)*

Representations and Understandings

By signing this form, I am representing that I understand and agree with the following:

- All of the information provided on this form is true and accurate.
- NSEDC may request documentation to verify my responses in this form and I can provide such documentation upon request.
- Residency alone does not qualify me for participation or receipt of a benefit and I am aware that NSEDC may adopt exceptions or more stringent requirements for certain programs.
- If an Allowable Absence is claimed, then I have not been gone from the region for any other purpose for more than 45 days in the past year, and I have returned to the Norton Sound region following each period of allowable absence and otherwise acted consistently with an intention to remain a resident of the region.
